

## All About Me

Create a 6-slide PowerPoint presentation to provide information about yourself to your classmates.

1. **Slide One:** Your name and your digital picture inserted into the presentation.
2. **Slide Two:** Your birthday and two significant events that occurred on that day in history. Use the following site to discover the significant events:  
The Day I Was Born  
<http://www.historychannel.com/today/>
3. **Slide Three:** Your first name and its meaning. If your name is unusual and no information is available, ask your family to explain the origin of your name and include its meaning on this slide. Look at the Etymology of Names web site to find out what your name means.

5. **Slide Five:** Your family photo scanned into the presentation. Use text boxes and arrows to identify each person and his/her relationship to you.
6. **Slide Six:** Your choice. Tell and show a hobby, zodiac symbol, talent or significant aspect of your culture to share with your audience.
